David Meneley –Worshipful Master

Greetings Brethren!

April is now here, and Oak Plains is doing quite well. We have three new Brothers, all of whom are excited and engaged in their degree work. We also have had a successful and fun bowling tournament with our DeMolay boys. To finish out the month of March we had another great Crab Feed of food and fellowship!

One thing that has been increasing in our Lodge over the past few months has been fellowship. This has been happening in two ways. First, as part of my normal Monday routine I come to Lodge straight from work. Because of this, I stop and eat dinner on my way to Lodge. I have opened my dinner time to any Brothers who would like to join me, which has started a Monday dinner gathering of 4-5 Brothers on average before officer's practice or a degree. The only week we do not meet is Stated Dinner night since we all eat at the Lodge. The other event that has increased our fellowship factor has been an event started by Bro. Mike Perry which he has titled "Further Libations in Masonry". This event takes place after practice and involves going to a local watering hole, grabbing a beverage, and more fellowship. This event has also had an attendance of 4-5 Brothers to start and has been getting stronger as the weeks go by. Thank you, Mike, for starting this event!

These two events are based in the principle that Masonry is a brotherhood and Brothers enjoy each other's company. I am hoping that we can offer more events like this and continue to build the fellowship factor in our Lodge. Also, these events are not only open to officers who are participating in practice, but to any member of the Lodge who would like to come join us. On the dinners, I announce in our Lodge app, which I hope all of you have or will get soon, where we will meet for dinner by the end of Sunday night and what time we will meet. With "Further Libations", it pretty much works the same way with a Sunday evening announcement of where we will be going. Come out one week and join us at either event, I am sure you will enjoy yourself and not be disappointed!

Also, April is Public Schools Month. There are several events happening in our area to honor and promote Public Education. The biggest event that I can think of will be on April 23rd. On that day Grand Lodge of California will be in Elk Grove dedicating five cornerstones for five schools. I am highly encouraging all Oak Plains Masons to attend the event! The Grand Lodge of California will be opening at 1:30 pm at the Masonic Center in Elk Grove, which is on Waterman Road between Elk Grove Blvd. and Grant Line Road.

Well, that about covers it for now. Take it easy and see you around the Lodge!

From The West

Wor. William Brewer, PM – Senior Warden

From the West: This year, as in previous, the Grand Master has issued a proclamation declaring the month of April, Public Education Month. Each Lodge within the State is encouraged to participate in some fashion with a local public school.

At our March Stated Meeting we learned that two schools, local to our Lodge, were in need of assistance: the Pasadena Elementary School and Whitney Elementary School. As a result motions were made and passed to assist both schools with donations.

The principals of both schools, and in the case of Pasadena Avenue Elementary the two petitioning teachers, will be attending our Stated Meeting Dinner, prior to our April 16th Stated Meeting, for the presentations of our donations.

Pasadena Elementary, according to a letter received by the Lodge in early March, was asking the Lodge to support a field trip, planned for May 1st, to enable their fourth and fifth grade classes to visit the Academy of Sciences in San Francisco.

This Trip not only meets all of the state science standards, but coincides with the schools focus on the sciences. Pasadena Elementary is on of the first schools in the Sacramento Area to adopt and implement the “Next Generation Science Standards (NGSS)”.

Whitney Elementary School is a school is a little different than Pasadena being that it has a large population of immigrants and refugees. The school recieves a large amount of funding from the government for curriculum based funding. Whitney Elementary’s need is based on sporting equipment, in the form of kickballs, basketballs, footballs, etc... The members of Oak Plains made a motion and the motion was passed to help the school buy the necessary sporting equipment to ensure these children have a time to learn to play sports.

Bicentennial Daylight Lodge also supports Whitney Elementary by mentoring children through the “Raising a Reader” program and also helps support them with donnations to their educational programs as well.

Representatives from both schools have been asked to make brief presentations at our Stated Meeting Dinner of April 16th as to how these funds will assist their programs. Please plan to attend the dinner and listen to these great local educators and prepared to be inspired.

From The South:

Greetings Brethren,

I'm certain I've mentioned this before, but I want to say something again about how happy I am that our Lodge has been able to come together on creating great new social activities. Fledgling as they may be, I see in this aptitude for growth. March was Youth Orders Month and just recently we were able to put together a bowling tournament between a few of us Brothers at Oak Plains and some of the young men from Robert L. Wade Chapter of DeMolay. Being the first time, we've done this, there was a relatively conservative turnout, but many great ideas start out small. We bowled two solid games and while it had been half a decade since my last game it didn't take long to get my old form back. I'm looking forward to our next game, Great Fun!

I want to also remind everyone that we have Officer's Practice each Monday from 7:00 to 8:30 pm which is open to all Masons so long as we are practicing your degree or below. Participation is not required, but encouraged, particularly if you've been interested in learning a bit more about how a degree is done as seeing it practiced draws out a touch of extra detail and nuance of ritual. As well, we meet prior to practice for dinner and afterward again for "Further Libations." Come along with us, you're invited too!

Additionally, April is Public Schools Month! To do our part, Oak Plains has donated \$500 to both Pasadena and Whitney Elementary. We're looking to put together a reading program whereby one of us can spend some time to go and read to some of the younger elementary school classes. Plans are still in the works, but if feel you would like to help light up a child's day by volunteering to read to a class then to any officer here at the Lodge.

A special note of thanks from Oak Plains goes out to Mrs. Gerry Jones for making the cookies for March's stated meeting. Thank you again Gerry, we sure enjoyed them!

"By Geometry we may curiously trace nature through her various windings to her most concealed recesses. By it we discover the power, wisdom and goodness of the Great Artificer of the Universe..."

The Temple Board Meets the 2nd Thursday of the month at 6:30 PM

Thank you for electing the 2018-2019 Oak Plains Masonic Bldg. Association. Myself and the Board Members will work hard to make solid decisions both today and in the future.

Please take note of the permanent change of time of the Temple Board Meeting, starting on April 12th, 2018 at 6:30 p.m. There will be a work party starting at 3:00 pm on the 2nd Thursday that will flow into the Temple Board meeting.

The Kitchen cleaning went great and you should notice a noticeable difference in the look of the kitchen. That's right the brown kitchen cabinets have been removed from the main kitchen. This was done to comply with health-code regulations as we continue to work towards a kitchen remodel.

Thanks goes out to the Robert L. Wade Chapter for making sure our Temple Grounds and House are kept looking nice for our guests. Bro. Parker, Vice President of the Bldg. Association will be the contact for ensuring the open communication between Oak Plains Masonic Association and these young men. Thanks Again!

Brothers' Pasos, Parker, Rubsam have been working hard at making some changes around the lodge and dining room. The lights have been replaced, the doors have been re-coated, the carpets have been cleaned just to name a few. We could always use more help, as Masons we know the benefit of many hands make light work, we could use your extra hands as we have lots of jobs to do! Thanks Again Brothers for all your work!

We have made a change in cleaning services at the lodge. If you see something that is not cleaned, please let us know, and we will make sure to bring it up to the new janitorial staff. With that being said... these janitors are not there to clean up our messes, they are there for the general cleaning of the lodge. What does this mean? If you see a mess, clean it up, don't leave it for someone else to clean up. This after all is our lodge and we need to take pride in keeping it looking nice. It is not the Oak Plains Masonic Temple Association's responsibility to clean up after the tenants who are using coffee, sugar, creamer,

etc... Please clean up after yourselves. This also brings up the rodent issue that keeps happening. Please put your non-perishable food items in plastic sealed bins, this will help keep these rodents out of our lodge. For example, a cabinet was opened the other day and the first thing that fell out of the cabinet was butter mints... this is a prime food source for mice and bugs. It makes no sense to have pest control services if we are not making sure we are taking measures to prevent this from happening. Please help be part of the solution and take measures to clean your cabinets and stop the rodent problem.

Respectively,

Bro. Mike Perry

President, Oak Plains Masonic Bldg. Association

From the Tiler's Home Office, In Beautiful North Highlands, CA

Bro. Eric O. Parker, Tiler

Greetings Brethren,

I am a huge fan of inspirational quotes, especially when they come from sources that are often not seen as being inspirational. In this light I feel the following quote will not disappoint, and I hope we can all take something away from it that will induce a better reflection of how we see ourselves.

“The paradox of our time in history is that we have taller buildings and shorter tempers, wider freeways, but narrower viewpoints. We spend more, but have less, we buy more, but enjoy less. We have bigger houses and smaller families, more conveniences, but less time. We have more degree but less sense, more knowledge, but less judgement, more experts, yet more problems, more medicines, but less wellness.

We drink too much, smoke too much, spend too recklessly, laugh to little, drive to fast, get too angry, stay up too late, get up too tired, read too little, watch TV too much, and pray too seldom.

We have multiplied our possessions but reduced our values. We talk too much, love too seldom, and hate too often.

We've learned how to make a living, but not a life. We've added years to life not life to years. We've been all the way to the moon and back, but have trouble crossing the street to meet a new neighbor. We conquered outer space but not inner space. We've done larger things, but not better things.

We've cleaned up the air, but polluted the soul. We've conquered the atom, but not our prejudice. We write more, but learn less. We plan more, but accomplish less. We've learned to rush, but not wait. We build more computers to hold more information, to produce more copies than ever, but we communicate less and less.

These are the times of fast foods and slow digestion, big men and small character, steep profits and shallow relationships. These are the days of two incomes but more divorce, fancier houses, but broken homes. These are days of quick trips, disposable diapers, throwaway morality, one night stands, overweight bodies, and pills that do everything from cheer, to quiet, to kill. It is a time when there is as much in the showroom window and nothing in the stockroom. A time when technology can bring this letter to you, and a time when you can choose either to share this insight, or just hit delete....

Remember, spend some time with your loved ones, because they are not going to be around forever.

Remember, say a kind word to someone who looks up to you in awe, because that little person soon will grow up and leave your side.

Remember, to give a warm hug to the one next to you, because that is the only treasure you can give with your heart and it doesn't cost a cent.

Remember to say, "I love you to your partner and your loved ones, but most of all mean it. A kiss and embrace will mend hurt when it comes from deep inside of you. Remember to hold hands and cherish the moment for someday that person will not be there again.

Give time to love, give time to speak! And give time to share the precious thoughts in your mind.

AND ALWAYS REMEMBER:

Life is not measured by the number of breaths you take, but by the moments that your our breath away."

-George Carlin (May 12, 1937-June 22, 2008)

With Brotherly love and friendship,

Bro. Eric O. Parker, Tiler

Life
IS NOT MEASURED
BY THE NUMBER OF
BREATHS WE TAKE, BUT BY
THE MOMENTS
THAT TAKE OUR
breath away.

Notes from the Secretary and Assistant Secretary

Brothers, it is the month of April, if you have not paid your dues, please do so immediately! As a reminder, dues were due on January 1st. Please contact Bro. Secretary Brown for arrangements if needed.

The Oak Plains Lodge app is up and running! Brothers, please install the app using this link <http://ourapp.link/oak-plains-789>. You may ask yourself why do I need another app on my phone? The answer is it is all the Oak Plains information at your fingertips! The calendar, with the ability to RSVP for dinner and soon the ability to pay for dinner, your dues, donate to the lodge or charity instantly; instant communication with the Master, Wardens, Secretary and Treasurer; Online address book to be able to be instantly able to call a Brother, to check on them or coordinate with them.

You may ask is this app secure? The answer is yes. The app is not available to the public in any app store or online. The security lies within the ability to only allow members access by a predetermined roster to have access, this roster is controlled by the App Administrator and a Brother has to be approved access.
